ABOUT THE COHORT

The 2024 Changemaker Experience is designed for an intimate cohort of 50 participants, facilitating connections to share successful practices and address challenges in community and systems-level change. Cohort members gain exclusive access to insights from dynamic speakers and community change leaders worldwide, committing to monthly virtual learning sessions and actively shaping the learning experience as it unfolds.

WHO CAN APPLY?

The Changemaker Experience is tailored for dedicated leaders with at least three years of experience in driving change within their organizations or communities. It requires a commitment to advanced learning, active participation in peer group discussions, and a passion for investing in your leadership to promote community change. Additionally, having a current community change initiative you're eager to develop, implement, or enhance is ideal for this nine-month program.

BENEFITS

Explore cutting-edge frameworks

along side tools, resources, and evidence-based solutions which drive change forward.

Expert and peer coaching sessions

These are designed to support your changemaking experience.

A focus on applying theory

This will support you to advance change in your collaborative or community.

Options for applicants in different time zones

Tamarack will record the speaker and workshop sessions so that you and your team can learn virtually.
